

Meinhardt Vineyards & Winery

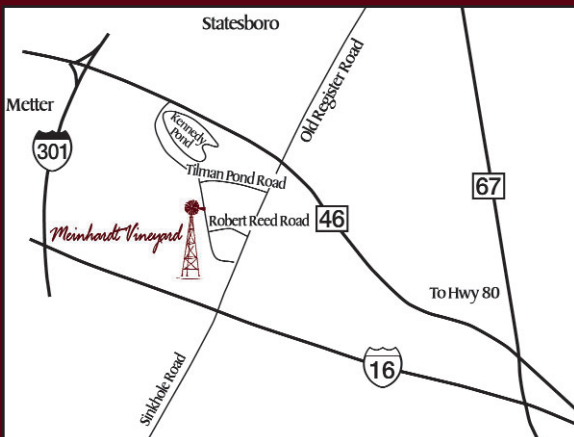

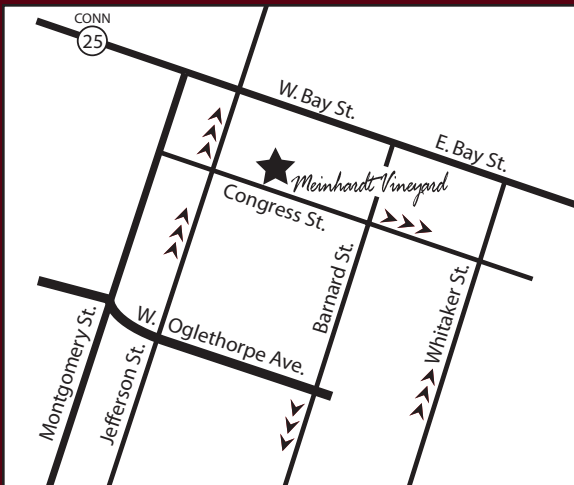

VISIT OUR NEW DOWNTOWN
CITY MARKET LOCATION IN SAVANNAH.

Picture this, you're surrounded by great friends and in your hand you hold a glass of the finest Muscadine wine. The background is filled with laughter, soothing music and a dozen or so Martins nesting in nearby gourds they call home for the season. To most people this would be a perfect evening but if you're seated at the pergola on the grounds at "The Vineyard", as most people call it, then the best is yet to come. As you relax in the late afternoon your eyes take you across thirty acres of hay to a giant stand of oaks that bloom everyday a brilliant site we call "Sunset at the Vineyard".

Exquisite wine, breathtaking sunsets and good company are all specialties at Meinhardt Vineyards & Winery. Whether you're sitting out under the pergola, taking a tour of the grounds, or browsing the tasting room, we guarantee a pleasurable experience. Meinhardt Vineyards & Winery is family owned and operated but so much more than a business to us. We love what we do and want to share our joy with the entire community and all those that visit. So take a step away from your hustled routine and come have a taste of this country life and our scrumptious Muscadine wine and treats.
